The Venice Biennale is much more than a simple artistic exhibition; it is an immersion in a world of creativity and innovation that leaves an indelible mark on the mind of anyone who visits it.

Explore the seductions of Venice: after your visit to the Biennale, take some time to discover the secrets of the city of Venice. Getting lost among its canals, walking through the streets and tasting Venetian cuisine and sailing in the Venice lagoon are experiences that will further enrich your trip. Plan a catamaran cruise trip to explore picturesque islands booking amazing experiences.

Attend side events: In addition to the main exhibitios, look for side events and artistic performances that may not be as well known, but often offer extraordinary and innovative experiences!
